Show Your Support & Join Our Team!

The Boise Gems are approaching the start of their 40th season in the Treasure Valley and would like you to join our team in celebration. The Boise Gems are able to exist, in part, from the support of the community and area businesses. We receive that support through sponsorship.

The Gems' will begin this season as the defending State Champions with the goal to win the NW Regional and advance to the American Legion World Series. The Gems have won 2 of the past 3 State Championships and will be favorites to repeat again.

Our sponsors will be proudly displayed in the friendly confines of Timberline Park and will remain on display throughout the 2009 season. This year's sponsors will also be on display during the 2010 Timberline baseball season. When the season is over, the banner will be moved indoors and placed in the new Timberline Hitting Facility on the grounds of Timberline HS for all visitors and students to see for year-round exposure.

A 4'X6' banner will be created with your company logo and specifications and will be recognized during game announcements as a sponsor of the Boise Gems and youth baseball. Support can be shown with a 1-year sponsorship of \$300.00; 2-year sponsorship of \$500.00 or a 3-year sponsorship of \$750.00. The Gems are a non-profit organization and contributions to the Gems are subject to tax benefits (please contact your tax preparer for full details).

The Boise Gems thank you in advance for your support and wish growth and prosperity to your company.

Please direct any additional questions you may have to Ken Kean 761-3794.

Thank You!
